It is this energy that drives and motivates us to provide a suite of benefits for you and your family. Our benefit priorities are focused on YOU; keeping our plans competitive, cost-effective, and useful for you and your family, so we can offer you the level of support you provide for us daily.

WHO IS ELIGIBLE

You are eligible to enroll in Bickford Senior Living's benefit plans if you are a regular, full-time Bickford Family Member (BFM) scheduled to work at least 30 hours per week. As a regular, full-time employee, you are eligible for benefits on the first day of the month following 60 days of continuous service. For Directors, ADs, RNCs, CRDs and Branch Support, you are eligible for benefits on the first day of the month following 30 days of continuous service.

ENROLLMENT INFORMATION

Initial Enrollment

When you first join Bickford Senior Living, you have 31 days to enroll yourself and your dependents for benefits. To complete the enrollment please log on to bickfordbenefits.com. If you enroll on time, coverage

begins the first of the month following 60 days of employment, or the first of the month following 30 days of employment (for Directors, ADs, RNCs, CRDs and Branch Support). If you do not enroll within 31 days of becoming eligible, you will automatically be enrolled in company-sponsored benefits, such as Basic Life and Accidental Death & Dismemberment (AD&D) Insurance. You will have to wait until the next annual Open Enrollment to enroll in other benefits and make changes to coverage.

Dependent Eligibility

You may also cover your eligible dependents, including:

- Your legal spouse
- "Children" are defined as your natural children, stepchildren, legally-adopted children, and children for whom you are the court-appointed legal guardian
- Children may be covered under medical insurance up to the end of the year of age 26
- For dental and vision insurance, eligible children are covered to the end of the month in which they turn 26
- Physically or mentally disabled children of any age who are incapable of self-support. Proof of disability may be requested

Annual Open Enrollment

Annual Open Enrollment is typically held in May or June for the plan year July 1 through June 30. More information containing exact dates will be available closer to the enrollment period.

How to Enroll

To elect or decline your benefits, please log on to bickfordbenefits.com. Further enrollment instructions can be found on page 5.

Making Changes to Coverage

Once you make your benefit elections, these choices remain in effect until the next Annual Open Enrollment – unless you have a qualified status change or you or your eligible dependents become eligible for coverage through special enrollment rules.

If you have a qualified status change or you have another allowable event, you can make certain changes during the plan year. However, you must make your enrollment change within 31 days of the event by visiting bickfordbenefits.com. If you do not call to enroll within 31 days, you will have to wait until the next Open Enrollment to make new elections.

Qualified status changes include, but are not limited to:

- Change in number of eligible dependents due to birth, adoption, placement for adoption, or death
- Gain or loss of dependent status (i.e., your child reaches the age limit for eligibility)
- Change in legal marital status, including marriage, divorce, or death of a spouse
- Change in residence or workplace that changes your or your dependent's eligibility for coverage
- Change in employment status, such as starting or ending employment, for you, your spouse, or your children

- End of the maximum period for COBRA coverage
- Loss of other coverage

For a more complete list of qualified status changes, refer to the Summary Plan Description.

Special Enrollment Rules

If you choose not to enroll yourself or your dependents (including your spouse) because you have other coverage, you may be able to enroll yourself and your dependents at a later date if:

- You or your dependents lose Medicaid or Children's Health Insurance Program ("CHIP") coverage as a result of a loss of eligibility for such coverage, or
- If you or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP
- You must enroll within 31 days of the qualified events shown in the "Special Enrollment Rules" above

If your dependent had other health coverage and lost that coverage in the above situations, they may be added to your coverage. However, you will not be able to add yourself or your dependents to this coverage if the other coverage was terminated "for cause" (including failure to pay the required premiums on time).

In addition to the changes described above, you may enroll yourself and your spouse (with or without the new dependent) in a Bickford Senior Living health plan following marriage or the adoption, placement for adoption, or birth of a child, as long as you request enrollment within 31 days of the event. You must be enrolled to cover your dependents. If you have a special enrollment event and would like to enroll for health coverage, visit bickfordbenefits.com.

MEDICAL AND PRESCRIPTION DRUG PLAN

Bickford Senior Living’s medical options provide coverage for the same types of expenses, such as doctor’s office visits, preventive care, prescription drugs, and hospitalization. You choose the option that makes the most sense for you and your family based on your needs and what you want to pay for coverage.

For the 2020-2021 plan year, you again have the choice of two PPO plans: **base PPO plan** and **buy-up PPO plan**. If you choose the buy-up plan, you will have higher payroll deductions taken out of your paychecks, but your out-of-pocket expenses will be lower. If you choose the

base plan, your payroll deductions will be lower, but your out-of-pocket expenses will be greater.

For more details on our benefit plans, including out of network benefits, go to www.bickfordbenefits.com.

Please note, if you are a new hire and do not log in to Selerix to elect or decline your benefits for the plan year, you will be automatically enrolled in the Base PPO medical plan as well as all employer-paid benefits, including Basic Life and Accidental Death & Dismemberment (AD&D)

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from Bickford Senior Living, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed on the following page, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office, dial **1-877-KIDS NOW**, or visit www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the States listed on the following page, you may be eligible for assistance paying your employer health plan premiums. The list of States is current as of January 31, 2020. Contact your State for further information on eligibility.

To see if any other states have added a premium assistance program since January 31, 2020, or for more information on special enrollment rights, contact either:

HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

PART A: General Information

Since key parts of the health care law took effect in 2014, there is another way to buy health insurance: The Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a tax credit that lowers your monthly premium right away. Typically, you can enroll in a Marketplace health plan during the Marketplace's annual Open Enrollment period or if you experience a qualifying life event.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution — as well as your employee contribution to employer-offered coverage — is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Human Resources.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Bickford Senior Living Group, LLC		4. Employer Identification Number (EIN) 48-1102899	
5. Employer address 13795 S Mur-Len Rd		6. Employer phone number 913.782.3200	
7. City Olathe	8. State KS	9. ZIP code 66062	
10. Who can we contact about employee health coverage at this job? Christy Dienstbier, Vice President of BFM Support			
11. Phone number (if different from above)		12. E-mail address Christy.dienstbeir@bickfordseniorliving.com	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to some employees.

Eligible employees are:

- All fulltime employees working 30 or more hours per week
- With respect to dependents, we do offer coverage.

Eligible dependents are:

- Legal spouse and dependent children (up to the end of the month that they turn age 26). Disabled children over age 26 with supporting documentation.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

IMPORTANT NOTICE FROM BICKFORD SENIOR LIVING ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Bickford Senior Living and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

BlueCross BlueShield of Kansas City (BCBSKC) has determined that the prescription drug coverage offered by the Bickford plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from **October 15th through December 7th.**

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current plan with BCBSKC will not be affected. If you do decide to join a Medicare drug plan and drop your current BCBSKC plan coverage, be aware that you and your dependents may not be able to get this coverage back until next open enrollment.

When Will You Pay A Higher Premium (Penalty) To Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with BCBSKC and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through BCBSKC changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Model General Notice of COBRA Continuation Coverage Rights

Introduction

You are receiving this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Christy Dienstbier (contact information included at the end of this notice).

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

For more information visit <https://www.medicare.gov/medicare-and-you>.

HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires group health plans to provide a special enrollment opportunity to an employee (or COBRA enrollee) upon the occurrence of specific events. This Chart summarizes the qualifying events and the corresponding special enrollment rights. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). However, employees who choose to participate in the wellness program will receive an incentive as outlined in the Open Enrollment Guide for completing the HRA and biometric screening or routine preventive exam. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the incentive.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks. You also are encouraged to share your results or concerns with your own doctor.
